

VILLAGE HALL AND OTHER RELATED PUBLIC BUILDINGS ARE CLOSED FOR PUBLIC ACCESS

Due to Monroe County declaring a state of emergency and the COVID-19 virus being confirmed in the area, the Village of Fairport will be limiting public access in all its facilities until further notice. Village government will continue to operate internally and no significant change to services such as fire, police, electric, refuse collection, etc. is proposed to be altered at this time. This action is being taken to protect the public and our employees from unnecessary contact and exposure.

Should you need immediate assistance to services outside of fire or police, please utilize our website or call our dispatch center at 585-223-9500 and they will direct you accordingly.

All Village Board, Planning Board, Zoning Board of Appeals, and Historic Preservation Commission meetings will either be televised live via our website and/or recorded and available for access via our website and social media accounts. By NYS Executive Order 202.1 pertaining to Public Officers Law, the Village has the right and will be exercising its authority to not permit public attendance at any public meeting until further notice. The Village will be limiting its practice of facilitating public meetings privately on an as needed basis and will cancel all public meetings if practical and reschedule for a future date.

Fairport Electric and other Village related payments shall only be received via the following mechanism:

- Fairport Village Hall – 31 S. Main Street, Fairport, NY 14450 *(Both Electric and Non-Fairport Electric Payments can be made in the drop boxes located in the front and rear of Village Hall)*
- Telephone 585-223-9500 during normal business hours
- Online Bill-Pay *(where applicable)*
- Fairport Municipal Commission (Fairport Electric) – PO Box 530812, Atlanta, GA 30353 *(Fairport Electric Mailed Payments Only)*
