

West Church Street Resurfacing Project
 Erie Canal to Route 250
 Village of Fairport, New York
 Monroe County

Date: February 20, 2018
Time: 6:30 P.M.
Location: Village Hall Board Room
 31 S. Main Street
 Fairport, NY 14450

Agenda

Public Information Meeting with:

- Paul Feeley, Superintendent of Public Works
- Jay Reisinger, NYSDOT
- Rick Bennett, P.E., Fisher Associates

Project Limits

- Erie Canal to Route 250 (0.75 Miles)

Pavement Widths

- Existing width: 32' – 36'
- Existing shoulder width: 0'
- Proposed width: 32' -36'
 (two 12' wide lanes with 4' wide shoulders)

Proposed Project Improvements

- The existing pavement will be milled and resurfaced
- All sidewalk curb ramps will be upgraded to meet current ADA standards
- Roadway drainage structures will be reset to match the roadway elevations.
- See reverse page for typical section

Traffic Control

- The Contractor will be required to maintain access to all properties and side streets during construction
- A one- way vehicular detour will be used to facilitate roadway construction.
- Sidewalk closures and detours will be used to facilitate construction

Tentative Construction Schedule

- Start Construction: Summer 2018
- Finish Construction: Fall 2018

Project Cost and Funding Source

- Project construction cost is approximately \$651,000
- The project will be funded 100% by Federal and Local Funds.
